

Oak Park Library Media Center NEWSLETTER

January 2023

Happy “NEW” Year!

With 2022 behind us, we are excited for what is “NEW” in 2023. We will start off the year collaborating with Mrs. Eaton to learn about The Caldecott Award and eagerly await for the “NEW” winner to be announced on January 30th. We will also be adding “NEW” books to our collection.

In the fall, we were awarded two grants (Donors Choose and OSEF). We are ready to start these two “NEW” projects this semester. As always, we are looking forward to coming up with “NEW” lessons to keep our students engaged while developing a passion for reading and learning!

First Class Passengers

Kudos to these students for showing great library skills in class!

Reading Resolutions

This is a great time to set reading goals for your family. Reading challenges, book series, or books made into movies are great ideas to promote the love of reading and enjoy quality family time!
